

## Political Science

Selected Student: Jolie Ebadi

Submitted by: Andrea B. Haupt

Jolie has been an all-round star in our Political Science program. She did not only earn excellent grades in our American Politics, International Politics, Political Theory and Comparative Politics classes (earning the highest grade for her presentation in the latter), but also participated in the Sacramento and Vienna Programs. No doubt, the Outstanding Student of the Year Award is well deserved. Congratulations, Jolie!

### *Jolie's Words of Gratitude:*

Thank you to professors Eskandari and Haupt for the nomination and all the opportunities you have allowed me to be a part of during my time at SBCC! I'm very grateful for everything you have done for me. You have truly helped guide me to be where I am today.
